

1                      4                      1  
 I got a gal at the head of the creek  
 1                                      5                      1  
 Goin' up to see her 'bout three times a week  
 1              4              1  
 Drive in a buggy that's for me  
 1                                      5                      1  
 Watch the wheels roll merrily.  
    1  
    Goin' up Cripple Creek, goin' on a run,  
    1                                      5                      1  
    Goin' up Cripple Creek to have a little fun  
    1  
    Goin' up Cripple Creek, goin' in a whirl  
    1                                      5                      1  
    Goin' up Cripple Creek to see my girl.

I got a gal an' she loves me  
 She's as sweet as she can be  
 She's got eyes of baby blue,  
 And her love for me is true

Chorus

Cripple Creek's wide and Cripple Creek's deep  
 Gonna wade ol' Cripple Creek 'fore I sleep  
 Roll my britches to my knees,  
 An' wade ol' Cripple Creek when I please.

Chorus
